

## **SCSP IMPLEMENTATION IN NLS AREA FOR YEAR 2020-21**

### **Inauguration of Farmer's Pavilion (Rytu Vedika)**

Farmer's Pavilion, a permanent facility to conduct programmes is constructed at ICAR-CTRI RS, Jeelugumilli with budget under Capital head in the SCSP 2020-21. Dr. D. Damodar Reddy, Director, ICAR-CTRI inaugurated the Farmer's Pavilion on 19.04.2021. Because of the Pandemic situation only few SC farmers were invited to the Programme. Director addressed the Station staff and the farmers. He stressed that this farmers pavilion is very much useful to the farming community. This will be utilized for conducting all farmers programmes like capacity building, interaction meetings, input distribution etc. He emphasized that ICAR-CTRI will continue SCSP programmes for the benefit of SC farming community. He also urged the Staff to work hard and help the farming community for increasing their farm income. Director planted saplings in front of the farmer's pavilion.

Dr. S. Kasturi Krishna, Head i/c CTRI RS Jeelugumilli, Dr A. Srinivas, Scientist, ICAR-CTRI, Rajahmundry, Shri Garaga Satyanarayana, Farm Manager and Technical Staff of the Research Station were participated in the programme.
